THE RIGHT CHOICE FOR THE RIGHT RESULTS

Fueled by a deep understanding of personal injury law and guided by compassion, Ankin Law helps individuals and families navigate complex injury litigation cases including workers' compensation, personal injury and wrongful death claims.

"We're a litigation practice, not a settlement practice," says Howard Ankin, who has been named to the Super Lawyers list for the sixth time. "We fight zealously to get the compensation our clients deserve."

The firm, which often takes cases to the Illinois appellate courts, regularly achieves six- and seven-figure awards. According to Ankin, the real reward is the ability to help clients and their families face the future with hope. "The right attorney is the one who gets results while always looking out for your best interests," he says. "I am that attorney."
