MANAGING PARTNER  
SCHILLER DUCANTO & FLECK LLP

While no two divorces are the same, in Meighan Harmon's eyes, the key to every successful case lies in looking forward. She firmly believes that dwelling on the past hinders progress and prevents clients from achieving their best results. "There are few opportunities we have as adults to reinvent ourselves and get a fresh start. Divorce provides that opportunity, should you choose to take it," says Harmon. A versatile attorney, she offers her clients a myriad of options for resolving their disputes and possesses the skills necessary to provide the right solution for each unique situation. Harmon is an experienced litigator who can be fierce in the courtroom, but she is also a trained collaborative lawyer and a family law mediator who can devise creative solutions and amicably settle even the toughest of cases. She focuses on complex family law cases involving the distribution of multi-million-dollar estates and represents successful business professionals and their spouses from a variety of industries, as well as individuals with multi-generational wealth. Harmon is part of an elite group of leaders in family law. Her peers elected her to be President of the Illinois Chapter of the American Academy of Matrimonial Lawyers in 2011. Her impressive reputation as a trailblazer in family law garnered international recognition with Chambers and Partners USA ranking her in the top tier (Band 1) for Family/Matrimonial Law: High Net Worth 2019-2023. Harmon has also been recognized as a Top 50 Women Lawyers in Illinois every year since 2016, and she was recently named a "Lawyer of the Year" in Family Law by *The Best Lawyers in America*.
